## **RE: MAJOR DONOR COUNCIL | THE G WORD DOCUMENTARY**

Dear Supporters:

THE G WORD documentary is honored to invite members of the philanthropic community to participate in the making of our film through involvement on our MAJOR DONOR COUNCIL.

The Council consists of engaged philanthropists who believe strongly in the importance and timeliness of supporting a feature-length documentary film on giftedness, intelligence, and neurodiversity directed by a multi-award-winning filmmaker.

Council members generously contribute \$5,000+ towards the production efforts of the film and its wraparound national impact campaign. Members also work with the producers to advance all aspects of their fundraising for the life of the film.

In exchange for members leadership and involvement, they receive the following benefits and recognition:

- On-screen credit in the closing credits sequence of the film. Council members can expect to be featured on a shared title card placed prior to the long form credits, affording great visibility for your support. Typically, this sort of card will follow after the film's producers, executive producers and other major institutional funders of the film.
- Substantial recognition in the film's online and social media presence, including a page that is dedicated to the Council on the film's website.
- The opportunity to visit the crew at a pick-up shoot during production or the editing room during post-production, to include an intimate dinner with the director of the film, award-winning filmmaker [Marc Smolowitz](#). NOTE: Travel not included, must be planned in advance.

- A chance to screen the rough cut of the film with the director at a feedback session with other film professionals. NOTE: Other than participating in this discussion, donors to the film will not influence the creative direction of the documentary.
- Ten complimentary VIP tickets to the film's premiere at a major U.S. festival + ten complimentary VIP tickets to the film's first after-party. Travel not included. Council members will be thanked from the stage by name at the film's premiere by the director.
- Host a private screening at a theater or venue of your choosing. Director / Producer Marc Smolowitz can be available for a live Skype Q&A. Event planning not provided.
- Forty complimentary streams of the finished film, for personal viewing.

*\*\*Additional opportunities will be developed for Major Donor Council members throughout the making of the film to enhance the above over time.*
